As we approach the end of 2026, we want to thank everyone who has supported Live Like Crazy and invite those who have not yet given to join us in making a meaningful difference in the lives of breast cancer survivors.

A breast cancer diagnosis can change everything in an instant. Along with the fear and uncertainty come overwhelming medical expenses, financial pressures, and the emotional toll of navigating treatment while trying to maintain a sense of normalcy for oneself and one’s family. No one should have to face these challenges alone.

At Live Like Crazy, we believe survivors deserve more than the ability to get through treatment. They deserve the opportunity to live, find joy, and experience moments of peace along the way.

How We Make a Difference

Our mission is twofold. We provide financial assistance to help ease the burden of medical and living expenses during breast cancer treatment, giving survivors greater peace of mind when they need it most. Our team advocates in assisting patients to coordinate care, manage emotional stress, and navigate our complex healthcare system. We work hand-in-hand through this process and beyond.

We also believe in the healing power of stepping away from the daily demands of cancer. Through our *Moment of Peace* experiences, we give survivors the opportunity to reconnect with the people they love, enjoy the things that bring them happiness, and take a much-needed break from treatment routines and the uncertainty that cancer brings.

Sometimes, the chance to simply breathe, laugh, and feel like yourself again can mean everything.

How You Can Help

As the year comes to a close, we invite you to help us reach even more breast cancer survivors in the coming year. Your year-end gift will help fund programs that ease financial stress and create meaningful moments of joy for those navigating one of life’s most difficult challenges.

Please consider making a tax-deductible donation today at LiveLikeCrazy.org/Donate.

No gift is too small. Every contribution helps us extend our reach, provide meaningful support, and remind survivors that they are not alone in this journey. Together, we can help breast cancer survivors find relief when the burden feels overwhelming and moments of peace when they need them most.

Thank you for believing in our mission and for helping Live Like Crazy make a difference, one survivor at a time.

With heartfelt gratitude,
Sally Ann Nisberg, Founder of LiveLikeCrazy
